DCI discussed the military situation in Cuba, raising the questions of the rationale behind movement of SAM sites and the permanent nature of installations. In view of the information that there may be as many as 44 cruise missiles at Guerra, COMOR directed to prepare a recommendation for low-level flights. DCI plans to take this up with the President this afternoon. DD/I was directed to prepare a one-page summary on Cuba for DCI's use with the President.

DCI requested a current evaluation of the situation in Laos.
